**CEDEX for Providers**

## CEDex will give you a platform that can highlight your offerings and enhance your relationship with accreditors/certifiers and practitioners/learners.

- You will have a realtime, straightforward route to submit completed CE activity about your learners, reducing your administrative costs.
- There will be increased visibility of your educational offerings—clearly organized by subject and other markers that will help you to attract more learners.
- You will easily be able to report, aggregate, and submit information for accreditor summary.
- No more error-prone reporting or passing along of data.
- You can adapt and react to changes in demand for certain subjects.

Interested in using CEDex for the professions that you provide learning for? Contact Jeff Reiter at (312) 550-3883

### FACTS

- The pharmacy industry and ACPE (the Accreditation Council on Pharmacy Education) has had over 6 million credits managed by CEDex annually for the past 6 years.
- Every day CE Data Exchange systems process tens of thousands of activity completion records.

### FAQ's

- Does CEDex have enough data capacity? **-Yes**
- Is it all safe? **-Everything is secured with privacy safeguards. No need to worry.**
- Can we keep up with high volume around compliance deadline? **-Sure thing**
- Will we get this implemented in a short time? **-We are on it!**
- Will this make our lives easier? **-Oh, you bet!**
- I am a provider who trains a small number of professionals. Do I have to invest a lot in automation so submit CE completion records for my learners? **-No, you can submit CE completion records online, or you can fill in records into an Excel® template and upload batches**
- I am a provider who trains thousands of professionals. Do you have an open API for me to submit CE in real-time? **-Yes. And electronic data exchange handshake protocols to give you feedback on committed transactions and their status, as well as a dashboard to check the status of your transactions at any time.**
