CEDEX for Regulators

Nothing can fall through the cracks. CEDex is a centralized, streamlined system that will ease your processes exponentially and open new realms of possibility.

- With the data analytics easily obtained from CEDex, you can stay well-informed and up-to-date. You will be able to watch trending in real time.
- CEDex enables full audit of CE by region or other metrics.
- CEDex makes it easier for you to create reports for the government with your data. You can help address federal and state budget challenges with trackable information at your fingertips.
- No more risk for reputation damaging issues of fraudulent reporting of CE. Everything is tracked and verified.
- This will also give you the solid credibility to put yourself at the center of the discussion on state and federal government decisions which will empower you to shape policy for the industry.

Interested in using CEDex for the professions that you provide learning for? Contact Jeff Reiter at (312) 550-3883

FACTS

- The pharmacy industry and ACPE (the Accreditation Council on Pharmacy Education) has had over 6 million credits managed by CEDex annually for the past 6 years.
- Every day CE Data Exchange systems process tens of thousands of activity completion records.
